

HAPPY HOLIDAYS

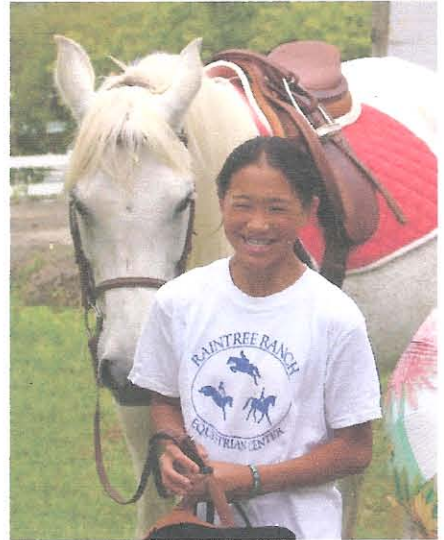

This year we are offering our clients a special opportunity. We understand that horse ownership can be a very expensive prospect. Therefore Raintree is pleased to present the gift of:

"A Horse For A Day"

Each participant will receive

- Complete grooming kit
- Raintree t-shirt
- Certificate of Ownership For A Day
- Four hours of special supervision

Liz Markle will be holding Horse For A Day sessions, which include feeding, caring for, loving and riding a horse of your own. Riding will include riding lesson and a guided trail ride in the beautiful hills of El Capitan Ranch. Grooming kits, shirts and Certificate will be available for pick up to place under the tree by December 18th.

Dates are:

- Friday December 28th 11:00am to 3:00pm
- Sunday December 30th 11:00 am to 3:00pm

Helmets and boots are available on loan.

So, if you can't actually buy your child a horse for Christmas, here is the next best thing.

Raintree Ranch has 12 horses available for ownership, so please sign up as soon as possible. Contact Liz directly at 805-620-2041 or email: lindy60696@hotmail.com.

Horses may be requested, but will be assigned based on skill level. First come, first serve.
